Subject Re: Parties Settled Out on Richardson Flat

Hey Kathy, how's it going? I got your message this morning on who we identified as a PRP and who we settled out with on Richardson Flat. The PRPs are ASARCO, ARCO, Noranda and United Park City Mines. We settled with all four parties and all but ASARCO has paid, but we have a Proof of Claim in front of the Bankruptcy Court. United Park City Mines and ARCO have a private agreement that we are not privy to. The same is true for Noranda. They are under no obligation to reveal the details of their private agreements to us. We just held them each liable for our costs.

Richard Baird and Mark Elmer may have more information for you on this topic. Feel free to call and talk to each of them too.

Have a great day!
